Life BY THE LAKE

Orillia is one of the hubs of Ontario lake country, with gorgeous cottages and a thriving, amenity-rich city centre. Located near Lake Couchiching and Lake Simcoe, summers here are a boater's paradise. Fishing, water sports, cruising, kayaking, canoeing and more, there is something for everyone on the water. Afterwards, dine al fresco at one of the city's many renowned lakeside eateries.

Then there's Orillia's Waterfront Festival. For each of the last 30 years, the event has attracted more than 20,000 visitors with its impressive live water sport demonstrations, boat vendors, artisans, food trucks, brewery showcases, and live musical attractions.

IN TOWN IN *Orillia*

Orillia's historic downtown is home to more than 150 shops and restaurants, from boutiques to cozy eateries and upscale dining. The city's cultural attractions include art galleries, museums, and the iconic Orillia Opera House.

The Mariposa Folk Music Festival is also held annually in Orillia. Since its founding in 1961, it has become one of the country's most famous musical events, and has hosted the likes of Leonard Cohen, Joni Mitchell and hundreds of other world-class acts.

But far from being a weekend destination, Orillia is also home to major employers, educational institutions, and a thriving business environment, making it the perfect place for both work and play.
